

Process for your Ambassadors that want to get trained as a Support Parent:

- Contact their statewide P2P Alliance Member seen here at: [Connect With Parent to Parent Near You for Support - Support for Parents of Children with Disabilities \(p2pusa.org\)](#) . They will conduct an intake and let them know when their next scheduled Support Parent Training is scheduled.
- States that do not have a P2P (CA, ID, MT, WY, UT, SD, IL, AR, MISS, RI, HI) can email me at memberinfo@p2pusa.org and I will introduce them to a staff member at a neighboring state where they can get trained and matched if they like.
